Step 14: Squads statistic

The screenshot shows a game interface with a tank in a snowy field. A 'STATISTICS' overlay is visible at the top center. A green callout box points to a red mark on the tank's engine, with the text '1: HEAT shell penetrate armor and hit the engine'. On the right side, there is a 'PLATOONS' table with the following data:

PLATOONS			
Group (NPC) - Yellow 912 Scouts (only 1942) Grenadier Panzerabteilung	0 - 0		
Destroyed/Killed: Dunkers and officers: 8			
Modern ego	1 - 5		
Group (NPC) - Yellow 914 Scouts (only 1942) Lyonskaya Pst	2 - 3		
6 gds CC, 8 gds Cav Div 1 city 1 pill Netherlands		🇳🇱	
6 gds CC, 8 gds Cav Div 1 city 1 pill Akkorvanden		🇳🇱	
320th 1 city 1 pill Austrians		🇦🇹	
320th 2 city 1 pill Austrians		🇦🇹	
320th 1 city 1 pill Austrians		🇦🇹	

The bottom of the screen shows a control panel with various icons and a chat window displaying the message '55: A vehicle is abandoned'.

Step 15: Back to the operation

The screenshot shows a 'VICTORY' screen with a statistics table and a list of achievements. A callout box points to the 'Achievements' row in the table.

VICTORY		
Loss	2 05	0
Tanks	0	0
Guns and engines	0	0
Vehicles	2 05	0
Damaged	1	0
Abandoned	2 05	0
Score	25	0
Achievements	2	0
Peasant Destroyed 10 enemy soldiers with one squad		
Assassin Destroyed 50 enemy soldiers		

1: Scroll down table to view achievements

Step 16: After battle moves

Step 17: Global statistic

The screenshot shows a table titled "OPERATION STATISTIC" with 15 columns and 3 data rows. The columns contain various icons representing different operations. The first two rows show data for China and Poland. Below the table, there are two buttons: one with a red 'X' icon and the text "Terminate the operation immediately", and another with a play icon. Three callout boxes are overlaid on the image: a green box at the top right points to the table title, a red box at the bottom center points to the "Terminate" button, and a blue box at the bottom right points to the "Return to operation" button.
